CELEBRATING OUR COMMUNITY SPIRIT

A big thank you to the Walton villagers who helped out in the recent snowstorms. They kept the roads out of the village open for as long as possible and helped travellers who had become either stuck in the snow or who could not complete their journeys find accommodation for the night in the village. Tom Brocklebank even posted up to date weather reports and road conditions onto the Facebook page.

Thank you again and a great service!!

“A big thank you to everyone in Walton for supporting the 2017 Poppy Appeal collection which raised £156.22 for this very worthwhile cause”

POPPIES: WEeping WINDOW COMING TO CARLISLE CASTLE

The iconic *Weeping Window* sculpture, by artist Paul Cummins and designer Tom Piper, will be installed for all to see at Carlisle Castle from 23 May - 8 July 2018. Having been the headquarters of the Border Regiment throughout the First World War, the castle makes a fitting location to host *Weeping Window* as part of the final year of 14-18 NOW's UK-wide tour. When better to experience this poppy sculpture than during the centenary of the end of the First World War?

NEWS FROM LEES HILL C OF E PRIMARY

Now that we have all recovered from the disruption caused by 'The Beast from the East', lessons have been caught up on and school life has returned to being as busy as usual!

Parents Evening was, as always, well attended and provided a good opportunity to enjoy viewing the children's work and discussing progress with the teachers.

The outdoor **Trim Trail** has now been completed and the rubber mulch surface laid so we can get outside and use it as much as possible.

Gardening sessions have re-commenced and as a result of a successful grant application, we will be purchasing new play bark (for the Sycamore Circle) and gardening equipment. Many thanks to Mrs Coupe and the school PTA for securing the grant funding.

The children took part in the **RSPB Birdwatch** and thoroughly enjoyed it! They came into school with an array of bird books and binoculars and were surprised to discover a huge variety of birds – they even spotted a Heron!

World Book Day celebrations were postponed (because of 'The Beast!') and held two weeks later than planned. The children were given the challenge of dressing up as a book character, with a link to a story containing a food or food items. The children and teachers arrived in school in all sorts of costumes – e.g. Fantastic Mr Fox, Charlie from Charlie and the Chocolate Factory and The Queen of Hearts! The children enjoyed several stories, a selection of fun activities and ended the day with a cooking session.

We are now preparing for **Easter**. Our annual Easter competition this year will be a miniature Easter Garden that the children make at home and bring into school to be judged. The PTA kindly provide Easter Eggs for all the children.

Rehearsals for the end of term church service are also in full swing.

The School Council recently met to discuss fund raising for **Sport Relief**. They decided to have a non-uniform day charging a fee of £1.00, a cake bake competition and sale and sponsored circuits with our PE coach. So far, and with more sponsor money still to come in, we have raised a very impressive **£307.50p!**
Very well done everyone!

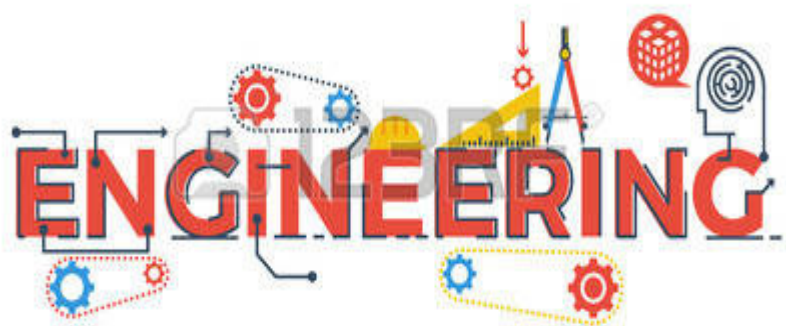

SATs tests for Children in years 2 and 6 are coming up soon and the children are very well prepared and we wish them well.

Lees Hill children in years 1 and 2 were invited to attend a **Multi Skills Sports** event and years 5 and 6 attended a **Badminton Festival** at William Howard School and thoroughly enjoyed the experience – many thanks to the staff and students at William Howard.

On Friday the 23rd of March we will welcomed some engineers from Egger, Hexham in to school. A chemist and a mechanical engineer talked to the children about their roles in industry. They explained that they make furniture, worktops etc and brought the children a selection of items as examples and also some free pencils and goodies. This links in with our topic on 'Construction and Engineering'. The children found the visit very interesting, fun and informative.

Lees Hill Toddler Group continues to grow and is held every Tuesday morning at school. If you would like any information about the **Toddler Group, Community lunches, Nursery** or **school places** please contact the **school office** on **016977 2577** or visit our school website **www.leeshillschool.co.uk**.

KEEPING OUR VILLAGE TIDY

Right folks, dog fouling. When walking your dog, please pick up your dog muck and dispose of it in a bin. Please do not leave it at the side of the road/path for some unsuspecting person to stand in, and please do not leave the bag hanging on a bush/fence. Bag it, and bin it - regardless of whether anyone is watching!

Simple!

This applies whether in the village or on the roads/paths around the Parish. So whether it is you or a family member walking the dog, please take a bag with you so you can dispose appropriately of any muck. This is particularly common on the road leading out of the village past Whitehouses and Townhead Farm.

Details regarding reporting dog fouling and the consequences for owners can be found at :
