WEBSITE

The parish council would like to thank Ivan Whetton for all his hard work in updating and running the website – www.waltonparish.co.uk

PARISH PLAN

Members are currently liaising with local groups in order to set out a questionnaire for all parishioners to complete to find out what you have to say about a whole range of social, economic, and environmental issues – in short, everything that is of relevance to those who live in the area. Your views will greatly help towards planning for the parish's future by providing convincing information about what is needed.

MERRY CHRISTMAS

Your Councillors and Clerk would like to wish everyone in the Parish and surrounding areas a very Merry Christmas and a Happy and Healthy 2020.
