

## WALTON COMMUNITY LED PLAN 2022

Walton Parish Council would like to update and develop our Community Led Plan for the future of the whole parish over the next 10 years. To achieve this, we need to gather the ideas and views of everyone living in Walton Parish. This survey is intended to gather this information. Having this information is essential for developing a plan that meets the future needs of the whole community.

If possible, everyone, of whatever age, in the parish is encouraged to add their comments to this survey. All information gathered will be treated in confidence. You do not need to answer all the questions.

If you would prefer an electronic version of this form please see the Parish website <https://waltonparish.co.uk/-pages-/clplanform/>

If you prefer to make your views known verbally there will be opportunities to do so. These opportunities will be advertised on the Parish website and Facebook page and on noticeboards within the Parish.

**Completed forms can be left in the box at the Village Hall or can be posted to the Clerk at Hillcrest, Cannon Field, Roadhead, Carlisle CA6 6NB. Please ensure all returns are received by Sunday 5 June 2022.**
